XSi Announces Global Alternative to Cisco SMARTnet®

ATLANTA, GA, June 9, 2008 – XS International, Inc. (XSi) has teamed with Cisco Certified Channel Partners to provide a flexible, time-proven, and adaptable global support alternative to Cisco SMARTnet® within its XSi SmartSourcing™ support portfolio.

“XSi’s Alternative to Cisco SMARTnet® provides the same features and benefits as the Cisco version,” said Todd A. Bone, CEO of XS International, “but at a lower cost. Our alternative also adds payment and contract financial flexibility, offering monthly, quarterly, semi-annual, annual payments and 1-year co-terminus and multiple year contracts all the while extending the life of Cisco products.” XSi’s Alternative to Cisco SMARTnet® also provides hardware and IOS support beyond EOS.

About XS International

XS International, Inc. is an information technology and services company specialized in IT investment protection. In business since 1990, XSi helps lower IT costs by providing both the latest and legacy technologies, third party maintenance, and asset recovery services. XSi is committed to protecting the environment by adhering to a strict “No Landfill” policy, XSi also does not export any eWaste. With more than 3,300 worldwide customers, spanning every business sector, XSi maintains over a 99.99% customer satisfaction index.
