**XS International, Inc. Receives 2008 Best of Alpharetta Award**

WASHINGTON D.C., July 14, 2008 -- XS International, Inc. has been selected for the 2008 Best of Alpharetta Award in the Computer Networking category by the U.S. Local Business Association (USLBA).

The USLBA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USLBA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2008 USLBA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USLBA and data provided by third parties.

**About XS International**

XS International, Inc. is an information technology and services company specialized in IT investment protection. In business since 1990, XSi helps lower IT costs by providing both the latest and legacy technologies, third party maintenance, and asset recovery services.
